## 1 Study visit at Bibemus Quarries-FR

---

*Study visit to the Bibemus Quarries at Aix-en-Provence and Marseille, France – delegation of the Municipality of Pylea-Hortiatis in the framework of the project "Sustainable eco-cultural exploitation of mining areas and quarries in the cross-border area - 'Terra-Mine'" of the INTERREG V-A program "Greece - Bulgaria" 2014 -2020.*

A numerous delegation visited the Bibemus Quarries at Aix-en-Provence in France, in the framework of the Terra-Mine project | INTERREG V-A Programme "Greece - Bulgaria" 2014-2020.

The study visit took place from 6 to 10 September 2022 and it was attended by 6 persons – representatives of the Municipalities of Pilea-Hortiatis and Madan.

The study visit included:

- (i) a guided tour in the Bibemus Quarries and short meetings with local artists working in the field, as well as a guided tour in Aix-en-Provence City Center and short meetings with local tourism entrepreneurs;
- (ii) an official meeting with the Vice Mayor and the executive staff members of the Municipality of Aix-en-Provence in charge for European - International Cooperation and Tourism, to explore opportunities for common projects;
- (iii) an official meeting with the Italian-French Chamber of Commerce at Marseille to exchange ideas and practices;
- (iv) visits to sites related to tourism and culture in Marseille Vieux port and the wider area.

The purpose of the visit was to study examples and good practices of tourism valorization and development of areas of previous heavy professional activity.
